

American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN™

The Massachusetts Chapter

## **2017 Annual MCAAP CME Program/Business Meeting and Edward Penn Memorial Lecture**

Jointly Sponsored by Baystate Health and the Massachusetts Chapter of the  
American Academy of Pediatrics (MCAAP)

The 2017 Annual MCAAP CME Program/Business Meeting  
and Edward Penn Memorial Lecture

held on

May 11, 2017 - 9:30 am - 3:30 pm

at the Massachusetts Medical Society, Waltham, MA

### ***"Pediatric Injury and Overdose Prevention"***

**WHY ATTEND AND AUDIENCE:** This educational activity was designed for pediatricians, primary care physicians, nurse practitioners, physician assistants, nurses, pediatric allied health professionals and child advocates who provide education for addiction and injury prevention.

**9:30 am - 9:55 am** - Registration

**9:55 am** - Welcome and Opening Statements - DeWayne Pursley, M.D., MPH, President of the MCAAP

**10:00 am - 10:30 am** - *"The Brown Alcohol Research Center on HIV (ARCH): Relevance of Findings for Adolescents"* - Peter Monti, Ph.D., Donald G. Millar Distinguished Professor of

Alcohol and Addiction Studies, Professor of Behavioral and Social Sciences, Director of Alcohol and Addiction Studies, Brown University

**Learner objectives:**

After participating in this educational activity, attendees should be able to:

- demonstrate the underpinnings of brief motivational intervention and its potential for videoconferencing
- identify risks associated with risky drinking and risky sexual behavior in youth
- recognize the relationship between alcohol and HIV/sexual risk

**10:30 am - 11:15 am** - The Edward Penn Memorial Lecture - "*The Opioid Epidemic and Youth - National Trends and Evidence-Based Practice for Preventing Adolescent Misuse and Addiction*" - Sharon Levy, M.D., MPH, Director, Adolescent Substance Abuse Program, Boston Children's Hospital

**Learner objectives:**

After participating in this educational activity, attendees should be able to:

- describe effective clinical strategies for reducing opioid misuse by adolescents
- identify the antecedents of the current opioid epidemic
- identify factors that increase an adolescent's risk for opioid disorder

**11:15 am - 11:45 am** - "*Screening for Substance Use Disorders During Pain Treatment*" - Diana Deister, MS, M.D., Developmental Medicine Center and Department of Psychiatry, Boston Children's Hospital

**Learner objectives:**

After participating in this educational activity, attendees should be able to:

- demonstrate how to flexibly consider both substance abuse and pain control considerations for your patient population
- demonstrate how to screen for SUD's to quickly stratify by risk
- describe local epidemiology regarding opioid death
- describe risk and protective factors for development of substance use disorders (SUD's) in adolescents
- review criteria for diagnosis of SUD's

**11:45 am - 12:00 pm** - Q&A - Presenters

**12:00 pm - 1:30 pm** - Business Meeting and Lunch

**\*1:15 pm - 2:30 pm** - Attendance at this lecture provides access to online MOC Part 2, Lifelong Learning Self-Assessment - *"Injury Prevention in the Office Setting-Birth to 4 Months"* - Lois Lee, M.D., MPH, Boston Children's Hospital, MCAAP Injury Prevention Committee Co-Chair

**Learner objectives:**

After participating in this educational activity, attendees should be able to:

- describe recommendations for injury prevention counseling as it relates to child passenger, water, sleep, firearm, and home safety as well as non-accidental trauma
- describe the leading causes of severe injuries to children 0-4 years of age
- recognize the importance of injury prevention anticipatory guidance in the office setting

**2:30 pm - 3:30 pm** - Training - MOC Part 4, Improving Professional Practice - *"Infant Well Visit Safety Screening Survey QI Project"* - Greg Parkinson, M.D., Falmouth Pediatric Associates, MCAAP Injury Prevention Committee Co-Chair

**Learner objectives:**

After participating in this educational activity, attendees should be able to:

- demonstrate an average improvement of one "Safe Behavior" between the 4-month and subsequent visits
- teach providers and patients how to complete Infant Injury Prevention Survey at the 4 month, 6 month and 9 month well child visits (or equivalent)

**3:30 pm** - Adjournment

*In support of improving patient care, Baystate Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.*

*Baystate Health designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.*

#### *Faculty Disclosure*

*The design and content of Baystate Continuing Interprofessional Education (CE) activities support quality improvement in healthcare and provide fair and balanced views of therapeutic options. Faculty or planner conflicts of interest are resolved before the educational activity.*

*Drs. Monti, Levy, Deister and Parkinson have no commercial relationship with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.*

*\* The Ohio Chapter, American Academy of Pediatrics (Ohio AAP) is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.*

*The Ohio AAP designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.*

*Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 10 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.*
