

**The MCAAP house is built on:  
a strong foundation of member engagement and value  
and focuses on “bringing voices together”.**

### **MCAAP Vision:**

The MCAAP is a leading voice for child health advocacy and high-value equitable care for all youth in the Commonwealth of MA.

### **MCAAP Strategic Priorities 2023/2024:**

#### **The MCAAP Foundations:**

1. *Membership (Member Value and Engagement):*
  - a. Shared Values and Goals
  - b. Needs Assessments
  - c. Financial Stewardship
  - d. Bidirectional Communication
2. *Voices Together:*
  - a. We Are United in our Support of “Child Health”
  - b. Identify and Collaborate with External Partners Who Share MCAAP Values
  - c. Recreate Board Representation to Amplify Voices Internally
  - d. Strong Voice within the AAP and the Massachusetts Medical Society

#### **MCAAP Activities Build on This Foundational Stability:**

1. *Child Health Programming*
  - a. Just in Time Programming to Meet the Needs of Practicing Pediatricians
  - b. Aligned with Adult Learning Theory and the Realities of Practice Schedules
  - c. Moving Forward with On Demand and “Small Bites Learning” Options
  - d. All Clinical Topics Must Prioritize Practice Implementation and MA Environment
  - e. Not only for Pediatricians but Especially for Pediatricians
2. *Advocacy*
  - a. Aligned with National AAP Goals but Tailored to Commonwealth
  - b. Partnerships for Greater Impact
  - c. Leveraging Evolving Relationships on Beacon Hill and EOHHS
  - d. Advocacy At Every Stage of Career, Without Geographic Barriers
3. *JEDI: Justice, Equity, Diversity and Inclusion*
  - a. Growing the Committee on Equity, Diversity and Anti-Racism
  - b. Promoting JEDI Special Projects Externally
  - c. Weaving the Thread of Justice, Equity, Diversity and Inclusion through All Programs & Discussions
